# Greater Kansas City Association *Art*

Bill Drummond,  
Glass Etcher

serial apprenticeships that he has had in Phoenix, Arizona and Kansas City, Missouri. Bill has large, colorful, lighted, glass etching work in many corporate offices, the Kansas City, Missouri, City Hall, and over 30 private homes.

Favorite quote:

"the assistance you need will be provided by the universe as soon as you convert your readiness to willingness"

Bill Drummond is a professional Glass Etcher who lives and works in the inner city. He is a trained glazer of architectural glass, he worked in Graphic design for 15 years, is a master of Newspaper Publication and pre-press operations, has coordinated Public Fine Art Projects, run successful Art Gallery operations, and provided Archival Research for special projects, ( specializing in Maps, Photos, and historical data ). He is prolific in cartoon art work, mural art work, also highly capable in Airbrush work, Aircraft Painting, and the Traditional photographic processes Bill has Studied in Barcelona, Spain; - but is crediting all of his 35 year art career success to the 5.

He is an early pioneering artist of the successful cultural neighborhood, known as the Crossroads Arts District. He is politically involved as an activist for good urban development, and social causes. He is active with a community development project, "Emerald City", - where artists and urban farmers are re-making an old neighborhood in the 42nd and Troost area. Bill advocates the connection of cultural assets along the length of 18th Street, in K.C.,MO. He studies aviation history, ( esp. Lighter-Than-Air flight ), and is a very good Kite flyer. For his own enjoyment, he is an amateur clothing designer - using high tech materials to make modern fashion clothes. Bill believes that a creative individual can change the world.... and that good humor, and a good attitude are the requisites for any endeavor's successful outcome!

## PRESIDENT'S MESSAGE

We had a nice turnout for the Picnic at Overland Park Arboretum and good participation for the Plein Air Event. My thanks to Karen Anderson, Connie Mowe and everyone who made these events special.

Both the Arts Council of Metropolitan Kansas City and the Arts Council of Johnson County have shown an interest in our organization and I have been attending some of their meetings. Any member who is interested in joining me in representing our club please get in touch with me.

Judy Stang has volunteered to help us with our Web Site. Leigh Coffman has accepted the task of Membership Chairperson and Deborah Nickloy will be helping with the Blue Ribbon Committee.

Thanks!

TED KNAPP

(\*) Parie Village show will come down Nov 30th with the reception on the 11th - 6:30 to 7:30 PM

---

### GKCAA Minutes from June 13, 2011 Meeting

GKCAA Minutes from June 13, 2011 Meeting

In lieu of a regular meeting, our annual picnic was held. It took place at the Overland Park Arboretum.

Approximately 9 members came early before the picnic and painted plein air. The grounds of the park afforded members wonderful subject matter. The picnic kicked off the meeting at 5:00pm.

There were 8 entries for the blue ribbon contest of the plein air paintings. Members voted and Verna (Marie) Campbell was awarded the ribbon. Ted Knapp handed out new rosters. The picnic/meeting was adjourned after the picnic.

---

**RAFFLE PRIZE:** We have another Tom Corbin's book to raffle. Any donations from members such as books, frames, or anything that would make a good raffle prize will be welcome.

---

### REFRESHMENT SIGN UP:

July: LEIGH COFFEMAN AND JULIE HITCHCOCK

August: ??

Sept.: ??

Many thanks to those volunteers who helped clean up after the meeting.

---

## Plein Air Event Update

Thanks to Fritz and Sherry for setting up a great paint out. As we left in the rain we kept saying, "Fritz hasn't called us to cancel so it must be OK." And OK it was for by noon the clouds were gone and everyone seemed to enjoy the boats, water, painting and each other. Thanks again.

OPPORTUNITY TO SHOW & SELL: Perry Yacht Club is celebrating their 40th anniversary this year and therefore, artwork of their club should be very desirable. Every year Perry Yacht Club hosts a Regatta (sailboat races) over Labor Day weekend. During this time they host a dinner and silent auction. We will be able to offer artwork from this paint-out for sell with 20% going to the Perry Yacht Club Youth Sailing program. If you are interested in showing your work, let Fritz know. **We need to have the paintings to Fritz by Aug. 28th.**
